The Community Planning and Physical Services Committee met on Monday, November 26, 2012, at 7:00 p.m., in Town Hall, Room 312 to discuss the following:

AGENDA

1. Chickens

The committee discussed the request received from a resident to allow the raising of chickens on residential properties. Several options for an ordinance were reviewed. No specific recommendation on an ordinance was made.

2. Hotel

The Staff reviewed the process that has been followed to date for the selection of a hotel developer for the town owned land on Raymond Road. At this time the town is conducting its due diligence with respect to a single developer and expects to complete that work this week.

3. University of Connecticut Campus

UConn is moving its West Hartford campus to Hartford. The administration has begun to discuss the eventual disposition of that property and its future use.

4. Town Planner

Several key employees are retiring. They include the town planner, the town engineer and our capital projects manager. The town has begun a recruitment process for each of those employees.
